

X-Type Banner Stand; XBAN-C, XBAN-C1, XBAN-C2

Well built with thick steel legs, fiberglass arms, and a hard ABS hub. Strong supports and a wide base keep this stand sturdy. The support legs are a fixed length, so when the width of the banner increases, the maximum height decreases. 3 Sizes available. Black drawstring bag included. Case qty: 15.

Range of Banner Sizes

XBAN-C: Width: 40" to 48"
